

With the TC races over, it's time to count the days until the key summer meets—Saratoga and Del Mar—kick off. But wait! There's a new player in town and it's name is Monmouth Park. Usually by opening day Saratoga, we had had our fill of Monmouth Park and dwindling field sizes. But not this year! Monmouth's bold move of racing just on weekends and averaging \$1 million daily in purses will keep this meet on our radar even during the Saratoga meet. **Field size is way up ensuring big payoffs especially in the \$0.50 PICK 5, the best wager in the land!**

We'll be working extra hard on weekends, eh! With the expectation that some of you may want to play all 3 tracks, I have put together discounted packages for *Blue Chip Trainer Angles* books and *Daily Sheets*. For example, buying just *Saratoga Blue Chips* costs \$100 before shipping. Add Monmouth and the cost is 180 (\$90 per). Add Del Mar and the per track cost reduces to (\$80). And that package includes *Handicapper* books for each of those meets. Since 95% of you already understand the summer product line, most of this flyer will concentrate on product packages and the discounts involved. May you have a great summer with the best of handicapping luck. Also, if you order by mail please include your email address or send it via email to ph99@bellsouth.net Thanks,

Jim Mazur

Saratoga Handicapper (\$35.95) Mazur and Angelo are back for the 24th edition! NEW FEATURES FOR '10 include jockey stats in both TURF ROUTES and SPRINTS. Annual features include: (1) 40% Trainer Club; (2) Trainer Rankings including the WIN EARLY trainers; (3) Steeplechase stats; (4) Dirt & Turf bias & PP stats; (5) Key jockey/trainer combos; (6) Horses for the Spa turf and dirt; and (7) full profiles on 25 top Spa trainers with mini-profiles on 75 more. New trainers profiled include **Chad Brown, Anthony Dutrow, Eoin Harty, D. Wayne Lukas, Paulino Ortiz, Wesley Ward and George Weaver.**

Saratoga Trainer Stats (\$35.95) Contains a FULL page of stats for the 100 trainers profiled in *The Saratoga Handicapper*. Includes stats and ROI for dozens of handicapping categories including JOCKEY/TRAINER combos from the '09 meet and how the trainer fared in various ODDS RANGES. This book tabs the high % plays and also helps you "throw out" horses whose trainers have low % stats in one or more categories. *KEY OWNERS ARE NOW LISTED IN EACH PROFILE.*

Saratoga Trainer Stats PLUS (\$35.95) DIGS EVEN DEEPER. GOES BACK 6 MEETS and comes up with some huge negative stats like: Tom Albertrani 3/61 in Spa turf races; Gary Contessa 1/48 with mdn claimers; Stan Hough 1/57 in Spa claiming races less than \$40k; Gary Sciacca 2/66 with runners making a 1st start off a 30+ day layoff. Those stats help pare down a field!

Saratoga Trainer Detail (\$35.95) Want to see the workouts for all of those Linda Rice FTS winners? Want to know the details about an obscure trainer who has won at the Spa during the past three years but isn't profiled in *The Saratoga Handicapper*? Then this book is for YOU. Lists EVERY Spa winner by trainer chronologically with all the details. Also lists detail for selected ITM longshots and includes a COMMENT line on each winner.

Saratoga Trainer Detail PLUS (\$35.95) GOES BACK 6 MEETS while covering even the most obscure Spa trainers. Includes OWNER data but NOT the comments in the regular Trainer Detail above. A must have!

Saratoga Blue Chip Trainer Angles (\$105.95) Yes, it's a bit pricey but certainly worth it! This year's edition includes 20 NEW SUPER HIGH % PLAYS. Our Spa '09 Blue Chips scored 11 times to produce a 38% ROI. Pricey '09 winners included **Scottskeith'skitten (12-1), Tahoe Warrior (10-1) and Mr. Vegas (8-1).** At the last 13 meets, *Blue Chip Angles* have produced a flat-bet profit, an 18% win avg and 28% ROI. Price includes a FREE copy of the *Saratoga Handicapper 2010* (a \$29.95 value).
